Club Training AUSTRALIA

Certificate IV in OHS

- ✓ Support Officers in meeting their due diligence requirements
- ✓ Promote a positive safety culture in your business
- ✓ Ensure safety information is updated
- ✓ Create cost effective ways of demonstrating due diligence
- ✓ Bridging Course upgrades current certified WHSO to the Nationally Recognised Training

Every Business Needs a Health and Safety Advisor

LEARN HOW TO:

- Gain an understanding of Health and Safety management systems
- Address WHS legislation, regulations and codes of practice;
- Fulfil the duty of care for those in the workplace;
- Identify hazards, and assess and control risks; and
- Contribute to the management of WHS.

CAREER OPPORTUNITIES

This course is designed for certified Workplace Health and Safety Officers (WHSO) to upgrade to the full Certificate IV in OHS and also for those seeking employment or skills as a Health and Safety Advisor
