

FIRST AID TRAINING

[CTA TRAINING SPECIALISTS]

The CTA Training Specialists' (formerly Club Training Australia) First Aid training courses are designed to give individuals the theoretical knowledge and practical skills to respond to emergency situations.

CTA offers a variety of affordable & flexible training options to suit the needs of every individual.

The following units are delivered as part of the First Aid Package:

- > HLTAID009 Provide cardiopulmonary resuscitation (CPR)
- > HLTAID010 Provide basic emergency life support
- > HLTAID011 Provide first aid
- > HLTAID012 Provide first aid in an education & care setting

Please note it is a requirement of this course that practical demonstration of CPR must be performed on the floor.

FIRST AID TRAINING IN LINE WITH THE AUSTRALIAN RESUSCITATION COUNCIL

[LEARNING OUTCOMES SNAPSHOT]

- > Respond to emergency situations
- > Perform Cardiopulmonary Resuscitation (CPR) in line with the Australian Resuscitation Council (ARC) Guidelines
- > Apply appropriate first aid procedures
- > Communicate details of emergency incidents
- > Effectively operate first aid equipment
- > Evaluate incidents and individual performances

There are no pre-requisite units to these courses.

In accordance with the VET Quality Framework Standards for Registered Training Organisations (RTOs) 2015, CTA Training Specialists does not guarantee that a student will successfully complete this course or obtain a particular employment outcome where this is outside the control of the RTO. There is no guarantee provided that a training product can be completed in a manner which fails to meet the requirements of Clauses 1.1 and 1.2 of these Standards.

If you are completing one or a number of the above units as part of a training package with CTA Training Specialists, please refer to the respective course information on our website in regards to credit transfer, fees and funding, and Government contracts that may be applicable. Training and assessment is delivered face-to-face for each student in their local area in clustered training sessions. Students must be able to attend these training sessions to complete all units of competency. Students will be completing their practical training components in a simulated environment in hospitality venues throughout Queensland and will be provided all equipment and facilities required to complete the units of competency in this qualification. Students will be completing the theory component of this qualification in a classroom environment forming the remaining part of the training schedule.

CTA Training Specialists is responsible for ensuring compliance and conducts regular reviews on all of its Training and Assessment strategies. CTA Training Specialists will ensure that through the implementation of the Australian Qualifications Framework Issuance Policy that students will be issued the certification documentation to which they are entitled to within 30 days.
